Arrival

The closest airports to Konin are in **Poznań (100 km to Konin)** and **Warsaw (200 km to Konin)**. From the airport you should transfer to the main railway stations (Poznań Główny and Warszawa Centralna respectively) and take a train from there. Polish National Railway (PKP) has a very efficient online search engine at <http://rozklad-pkp.pl/en> where you will be able to find convenient train connections.

If you are planning to arrive to Konin by train from POZNAŃ you need to transfer from Poznań Ławica Airport to **Poznań Główny Railway Station from where trains will get you directly to Konin**. The best option is to get a cab. Outside the airport there are numerous cabs available.

There are different types of trains in Poland, but travelling from Poznan to Konin the best option is to take KOLEJE WIELKOPOLSKIE type of train. It takes 90 minutes to get from Poznań to Konin by train.

If you are planning to arrive to Konin by train from WARSAW, you can also take a direct train.

In most cases, tickets can be bought online through the train search engine.

You may also consider downloading and installing BILKOM-the official PKP app for smartphones/tablets, which offers always-updated train search. All necessary information with links to Google's Play and Appstore can be found here: <http://rozkład-pkp.pl/en/page/mobilne>
